

# Sperrliste 2023/2024 - list of trains not to be used by railway-staff with FIP-tickets (private/leisure)

10 December 2023 – 08 June 2024

Due to expected high occupancy the following trains cannot be used by railway staff for private/leisure purpose with an „Internationalen Fahrscheinheft für das Eisenbahnpersonal“ (leaflet with 4 fields for free travel) unless the - four language - stamp (no supplement/kein Zuschlag erforderlich/ Dienstreise) is imprinted.

The use of the trains is restricted to the named OD and indicated days (no matter if it is a holiday or weekend-day).

Holders of an international ticket for railway staff without "supplement-stamp" (Internationales Fahrscheinheft für das Eisenbahnpersonal) using these trains are handled as passenger without valid ticket.

Please note: Seats marked with “Bahn.Bonus” are reserved exclusively for special passengers participating in DB’s loyalty program.
